Terex Corporation ("Terex" or "the Company") announced by press release dated March 23, 2001 that it intends to issue \$300,000,000 principal amount of Senior Subordinated Notes Due 2011 ("Notes"). The Notes will be issued at par with a coupon of 10.375%. The size of the offering of the Notes was increased from a previously announced amount of \$200 million. The Company also reaffirmed its plans to increase its revolving credit facilities maturing March 2004 from \$125 million to \$300 million, in order to provide the Company with greater operating flexibility.

The Company is offering the Notes pursuant to Rule 144A promulgated under the Securities Act of 1933, as amended (the "Act"), and the Notes will not initially be registered under the Act. Accordingly, the Notes will not be able to be offered or sold in the United States absent registration under the Act or an applicable exemption from the registration requirements.
