Item 1.01. Entry into a Material Definitive Agreement.

In connection with the disposition of Terex Corporation's ("Terex" or the "Company") mining equipment business (the "Disposition") described in Item 2.01 below, the Company, among other consideration, received 5,809,731 shares of Bucyrus International, Inc. ("Bucyrus") stock. The Company and Bucyrus entered into a Stockholders Agreement (the "Stockholders Agreement"), dated as of February 19, 2010, providing certain restrictions, including providing for Terex's commitment that it will not directly or indirectly sell or otherwise transfer its economic interest in the shares of Bucyrus stock received by it for a period of one year, subject to certain exceptions, including transfers to affiliates. In addition, under the Stockholders Agreement, Terex has agreed to certain customary restrictions for five years, including restrictions on future acquisitions of Bucyrus' securities, participation in a solicitation of proxies, and effecting or seeking to effect a change of control of Bucyrus. Bucyrus has also agreed to provide registration rights, including demand registration and shelf registration rights, to facilitate the sale of the shares of Bucyrus stock after the initial one year holding period. The description of the Stockholders Agreement set forth above is qualified by reference to the Stockholders Agreement filed herewith as Exhibit 10.1 and is incorporated herein by reference.

Item 2.01. Completion of Acquisition or Disposition of Assets.

On February 19, 2010, the Company completed the previously announced Disposition to Bucyrus and certain of its subsidiaries pursuant to the terms of the Asset and Stock Purchase Agreement between the Company and Bucyrus, dated as of December 20, 2009 (the "Purchase Agreement"). The Company received approximately \$1.0 billion in cash and 5,809,731 shares of stock (the number of shares were calculated as of the date of the Purchase Agreement, based on a trailing 10 day weighted average share price). In connection with the Disposition, the Company and Bucyrus entered into certain ancillary agreements, including a Transition Services Agreement, dated as of February 19, 2010, under which the parties will provide one another certain transition services to facilitate the separation of the mining equipment business being disposed from the businesses being retained by the Company and interim operations of the mining business being acquired by Bucyrus.

A copy of the press release announcing the completion of the Disposition is filed as Exhibit 99.1 hereto and is incorporated herein by reference.

Item 9.01. Financial Statements and Exhibits.

(b) Pro Forma Financial Information

As the Company's Annual Report on Form 10-K for the year ended December 31, 2009 presents the mining equipment business within discontinued operations, the pro forma financial statements giving effect to the Disposition are reflected therein and are incorporated herein by reference.
