As permitted by the rules adopted by the Securities and Exchange Commission ("SEC"), this year we are furnishing proxy materials to our stockholders over the Internet. We believe that this e-proxy process expedites stockholders' receipt of proxy materials, while also lowering the costs and reducing the environmental impact of our annual

meeting. We are mailing our stockholders a notice containing instructions on how to access our 2009 proxy statement and annual report and how to vote online. The notice also provides instructions on how you can request a paper copy of these documents if you desire, and how you can enroll in e-delivery. If you choose to receive future proxy materials by e-mail, you will receive an e-mail next year with instructions containing a link to those materials and a link to the proxy voting site. Your election to receive proxy materials by e-mail will remain in effect until you terminate it.

All shareholders, whether or not they expect to attend the Annual Meeting of Shareholders in person, are urged to vote. Instructions regarding the various methods of voting are contained on the proxy card, including voting by toll-free telephone number or the Internet. If you received a paper copy of the proxy card by mail, you may still vote your shares by marking your votes on the proxy card, signing and dating it, and mailing it in the envelope provided. The giving of a proxy will not affect your right to vote in person if you attend the Meeting.

BY ORDER OF THE BOARD OF DIRECTORS.

PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD JANUARY 19, 2010

GENERAL INFORMATION

The enclosed Proxy is solicited by and on behalf of the Board of Directors of Alanco Technologies, Inc., an Arizona corporation (the "Company"), for use at the Company's Annual Meeting of Shareholders to be held at 15575 North 83rd Way, Suite 3, Scottsdale, Arizona 85260, on the 19th day of January, 2010, at 10:00 a.m., Mountain Standard Time, and at any adjournment or postponement thereof.

In accordance with new rules approved by the SEC, it is anticipated that on or before December 10, 2009, a Notice Regarding the Availability of Proxy Materials will be mailed to the Company's shareholders of record as of the close of business on November 24, 2009. All stockholders will have the ability to access the proxy materials on a website referred to in the Notice and to download printable versions of the proxy materials or to request and receive a printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy may be found on the Notice.

The expense of soliciting proxies, including the cost of preparing, assembling and mailing this proxy material to shareholders, will be borne by the Company. It is anticipated that solicitations of proxies for the Meeting will be made only by use of the mails; however, the Company may use the services of its Directors, Officers and employees to solicit proxies personally or by telephone without additional salary or compensation to them. Brokerage houses, custodians, nominees and fiduciaries will be requested to forward the proxy soliciting materials to the beneficial owners of the Company's shares held of record by such persons, and the Company will reimburse such persons for their reasonable out-of-pocket expenses incurred by them in that connection.

Shares not voting as a result of a proxy not marked or marked to abstain will be counted as part of total shares voting in order to determine whether or not a quorum has been achieved at the Meeting. Shares registered in the name of a broker-dealer or similar institution for beneficial owners to whom the broker-dealer distributed notice of the Annual Meeting and proxy information and which such beneficial owners have not returned proxies or otherwise instructed the broker-dealer as to voting of their shares, will be counted as part of the total shares voting in order to determine whether or not a quorum has been achieved at the Meeting.

All shares represented by valid proxies will be voted in accordance therewith at the Meeting unless such proxies have previously been revoked. Proxies may be revoked at any time prior to the time they are voted by: (a) delivering to the Secretary of the Company a written instrument of revocation bearing a date later than the date of the proxy; or (b) duly executing and delivering to the Secretary a subsequent proxy relating to the same shares; or (c) attending the meeting and voting your proxy in person (although attendance at the Meeting will not in and of itself constitute revocation of a proxy).

The Company's Annual Report to Shareholders for the fiscal year ended June 30, 2009, is available to shareholders via the Internet or through request for a printed copy. The Annual Report includes a copy of Form 10-K, which constitutes part of this proxy. All other information included in the Annual Report does not constitute part of these proxy soliciting materials.

SHARES OUTSTANDING AND VOTING RIGHTS

Effective October 16, 2006, the Company effected a 2:5 reverse stock split. All references to both number of shares and price per share of Class A Common Stock issued and outstanding, options and warrants granted, and common stock equivalent shares are presented herein on a post-split basis.

Voting rights are vested in the holders of the Company's Common Stock and Preferred Stock. Only shareholders of record at the close of business on November 24, 2009, are entitled to notice of and to vote at the Meeting or any adjournment or postponement thereof. As of November 24, 2009, the Company had 33,955,193 shares of Class A Common Stock issued and outstanding, 103,257 shares of Series B Convertible Preferred Stock issued and outstanding, 133,106 shares of Series D Preferred Stock issued and outstanding, and 220,000 shares of Series E Convertible Preferred Stock issued and outstanding. Each Class A Common share is entitled to one vote, each share of Series B Convertible Preferred stock is entitled to 5.2 votes (the equivalent number of common shares into which the Series B Convertible Preferred Stock is convertible), each share of Series D Preferred Stock is entitled to 7 votes, and each share of Series E Convertible Preferred Stock is entitled to 12 votes. If the number of common shares into which the Series B Preferred Stock is convertible and the voting rights of the Series D Preferred Stock and Series E Convertible Preferred Stock are considered, the total shares eligible to vote on the record date are 38,063,871 shares ("Total Voting Rights"), each of which is entitled to one vote on all matters to be voted upon at the Meeting, including the election of Directors. No fractional shares are outstanding. A majority of the Company's outstanding voting stock represented in person or by proxy shall constitute a quorum at the Meeting. The affirmative vote of a majority of the votes cast, providing a quorum is present, is necessary to approve each proposal.

Each shareholder present, either in person or by proxy, will have cumulative voting rights with respect to the election of Directors. Under cumulative voting, each shareholder is entitled to as many votes as is equal to the number of Voting Rights of the Company held by the shareholder on the Record Date multiplied by the number of directors to be elected, and such votes may be cast for any single nominee or divided among two or more nominees. The seven nominees receiving the highest number of votes will be elected to the Board of Directors. There are no conditions precedent to the exercise of cumulative voting rights. Unless otherwise instructed in any proxy, the persons named in the form of proxy which accompanies this Proxy Statement (the "Proxy Holders") will vote the proxies received by them for the Company's seven nominees set forth in "Election of Directors" below. If additional persons are nominated for election as directors, the Proxy Holders intend, unless otherwise instructed in any proxy, to vote all proxies received by them in such manner in accordance with cumulative voting as will assure the election of as many of the Company's nominees as possible, and, in such event, the specific nominees for whom votes will be cast will be determined by the Proxy Holders. If authority to vote for any nominee of the Company is withheld in any proxy, the Proxy Holders intend, unless otherwise instructed in such proxy, to vote the shares represented by such proxy, in their discretion, cumulatively for one or more of the other nominees of the Company.

The Audit/Corporate Governance Committee reviews with the Company's independent auditors the scope of the audit for the year, the results of the audit when completed, and the independent auditor's fee for services performed. The Audit/Corporate Governance Committee also recommends independent auditors to the Board of Directors and reviews with management various matters related to its internal accounting controls. In addition, the Nominating/Independent Directors Committee meets in regularly scheduled executive sessions at which only the independent directors are present.

All meetings held by the Board of Directors' committees were attended by each of the directors serving on such committees.

The Company's Board of Directors held three meetings during the fiscal year ended June 30, 2009, at which time all Directors were present. Compensation of Directors

During fiscal year 2009, non-employee Directors were compensated for their services in cash (\$750 per meeting per day up to a maximum of \$1,500 per meeting) and through the grant of options to acquire shares of Class A Common Stock as provided by the 1996, 1998, 1999, 2000, 2002, 2004, 2005, and 2006 Directors and Officers Stock Option Plans (the "D&O Plans") which are described below. All Directors are entitled to receive reimbursement for all out-of-pocket expenses incurred for attendance at Board of Directors meetings.

The 1996 Directors and Officers Stock Option Plan was approved by the Board of Directors on September 9, 1996. Shareholders approved the 1998, 1999, 2000, 2002, 2004, 2005, and 2006 Directors and Officers Stock Option Plans on November 6, 1998, November 5, 1999, November 10, 2000, November 22, 2002, November 19, 2004, January 20, 2006, and January 30, 2007, respectively. The purpose of the 1996, 1998, 1999, 2000, 2002, 2004, 2005, and 2006 D&O Plans is to advance the business and development of the Company and its shareholders by affording to the Directors and Officers of the Company the opportunity to acquire a proprietary interest in the Company by the grant of Options to acquire shares of the Company's common stock. All Directors and Executive Officers of the Company are eligible to participate in the 1996, 1998, 1999, 2000, 2002, 2004, 2005, and 2006 Plans. Newly appointed Directors receive options to purchase shares of common stock at fair market value. Upon each subsequent anniversary

of the election to the Board of Directors, each non-employee Director may receive an additional option to purchase shares of common stock at fair market value.

AUDIT/CORPORATE GOVERNANCE COMMITTEE REPORT ⁽¹⁾

The Audit/Corporate Governance Committee of the Board of Directors is currently comprised of three independent directors, and operates under a written charter adopted by the Board. The Audit/Corporate Governance Committee Charter was included as Exhibit A in the Company's Definitive Proxy Statement filed with the SEC on October 18, 2004. The members of the Audit/Corporate Governance Committee are Harold S. Carpenter, a CEO with over 30 years senior management experience, James T. Hecker, an attorney and CPA, and Thomas C. LaVoy, a CPA. All three individuals are experienced in reading and understanding financial statements, and, in fact, are deemed to be financial experts as defined by audit committee requirements.

The Audit/Corporate Governance Committee is directly responsible for the appointment, compensation, retention and oversight of the work of the independent auditor engaged for the purpose of preparing an audit report or performing other audit, review or attest services for the Company. The auditor reports directly to the Audit/Corporate Governance Committee. The Audit/Corporate Governance Committee has established "whistleblower" procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters, including procedures for the confidential anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters.

Authority to engage independent counsel and other advisors has been given to the Audit/Corporate Governance Committee as it determines is necessary to carry out its duties. The Company provides appropriate funding for the Audit/Corporate Governance Committee to compensate the outside auditors and any lawyers and advisors it employs and to fund ordinary administrative expenses of the Audit/Corporate Governance Committee that are necessary in carrying out its duties.

The Audit/Corporate Governance Committee provides general oversight of the Company's financial reporting and disclosure practices, system of internal controls, and the Company's processes for monitoring compliance by the Company with Company policies. The Audit/Corporate Governance Committee reviews with the Company's registered public accountants the scope of the audit for the year, the results of the audit when completed, and the registered public accountant's fee for services performed. The Audit/Corporate Governance Committee also recommends registered public accountants to the Board of Directors and reviews with management various matters related to its internal accounting controls. During the last fiscal year, there were three meetings of the Audit/Corporate Governance Committee.

Management is responsible for the Company's internal controls and the financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and issuing a report thereon. The Audit/Corporate Governance Committee is responsible for overseeing and monitoring the quality of the Company's accounting and auditing practices.

The members of the Audit/Corporate Governance Committee are not professionally engaged in the practice of auditing or accounting and may not be experts in the fields of accounting or auditing, or in determining auditor independence. Members of the Audit/Corporate Governance Committee rely, without independent verification, on the information provided to them and on the representations made by management and the independent registered public accounting firm. Accordingly, the Audit/Corporate Governance Committee's oversight does not provide an independent basis to determine that management has maintained procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit/Corporate Governance Committee's considerations and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with the standards of the Public Company Accounting Oversight Board (United States), that the financial statements are presented in accordance with accounting principles generally accepted in the United States of America or that the Company's independent registered public accounting firm is in fact "independent."

Review of Audited Financial Statements

In this context, the Audit/Corporate Governance Committee reviewed and discussed the Company's audited financial statements with management and with the Company's independent auditors. Management represented to the Audit/Corporate Governance Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America. Discussions about the Company's audited financial statements included the auditor's judgments about the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in its financial statements. The Audit/Corporate Governance Committee also discussed with the auditors the matters required by Statement on Auditing Standards, ("SAS") No. 61 "Communication with Audit Committees," as amended and as adopted by the Public Company Accounting Oversight Board in Rule 3200T."

The Company's auditors provided to the Committee written disclosures required by the Independence Standards Board Standard No. 1 "Independence Discussion with Audit Committee." The Audit/Corporate Governance Committee discussed with the auditors their independence from the Company, and considered the compatibility of non-audit services with the auditor's independence.

Audit Fees

The aggregate fees billed by Semple, Marchal & Cooper, LLP for professional services rendered for the audit of the Company's annual financial statements and review of the Company's Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q, for the fiscal years ended June 30, 2009 and 2008 were approximately \$200,000 and \$211,000, respectively.

Audit Related Fees

In each of the last two fiscal years, there were no fees billed for assurance related services rendered by the principal accountant that are reasonably related to the performance of the audit or review of our financial statements and are not reported under the "Audit Fees" paragraph above.

Tax Fees

Semple, Marchal & Cooper, LLP prepared the Company's tax returns for state and federal purposes. Tax return preparation fees for the fiscal years ended June 30, 2009 and 2008, were approximately \$15,000 and \$12,000 respectively.

All Other Fees

Other than the services described above under "Audit Fees", during the fiscal year ended June 30, 2009, Semple, Marchal & Cooper, LLP also provided services related to filing a Form S-3 and related amendments with the Securities and Exchange Commission and billed related fees of approximately \$18,000. No such services were provided during the fiscal year ended June 30, 2008.

Audit Committee Pre-Approval Policies and Procedures

The 2009 and 2008 audit services provided by Semple, Marchal & Cooper, LLP were approved by our Audit/Corporate Governance Committee. The Audit/Corporate Governance Committee implemented pre-approval policies and procedures related to the provision of audit and non-audit services. Under these procedures, the Audit/Corporate Governance Committee pre-approves both the type of services to be provided by our independent auditors and the estimated fees related to these services. During the approval process, the Audit/Corporate Governance Committee considers the impact of the types of services and related fees on the independence of the auditor. These services and fees must be deemed compatible with the maintenance of the auditor's independence, in compliance with the SEC rules and regulations. Throughout the year, the Audit/Corporate Governance Committee and, if necessary, the Board of Directors, reviews revisions to the estimates of audit and non-audit fees initially approved.

Recommendation

Based on the Audit/Corporate Governance Committee's discussion with management and the auditors, and the Audit/Corporate Governance Committee's review of the representations of management and the report of the auditors to the Audit/Corporate Governance Committee, the Audit/Corporate Governance Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended June 30, 2009, filed with the Securities and Exchange Commission.

Proposal No. 2 **APPROVE A PROPOSAL TO AUTHORIZE THE BOARD OF DIRECTORS, ONLY IF NECESSARY AND PRUDENT, TO ISSUE TO INVESTORS NOT MORE THAN 7.5 MILLION SHARES OF CLASS A COMMON STOCK, INCLUDING SHARES POTENTIALLY ISSUABLE UPON EXERCISE OF WARRANTS, IN EXCESS OF THE LIMITATION AS SPECIFIED IN NASDAQ RULE 5635(d)(1-2). THE COMMON SHARES MAY BE SOLD AT A DISCOUNT NOT TO EXCEED FIFTEEN PERCENT (15%) OF THE MARKET VALUE AT THE TIME OF ISSUANCE.**

Nasdaq Rule 5635(d)(1-2) (“Nasdaq Rule”) prevents the issuance of new shares totaling more than 20%, approximately 6.8 million, of the Company’s total outstanding common shares at less than book or market value unless the Company obtains shareholder approval. The Company is requesting approval to issue an additional 7.5 million common shares beyond the approximately 6.8 million maximum now available in accordance with Nasdaq Rule 5635(d)(1-2). This additional share issuance authorization would provide the Company with the flexibility, if deemed necessary and prudent, to raise additional financing.

Shareholder approval will not obviate the need for Nasdaq approval for an application for listing these additional shares or for compliance with the Securities Act of 1933, the Securities Exchange Act of 1934 or other Nasdaq requirements. Any proposed offering of these additional shares, if approved, will likely be priced at a discount, however, the discount will not exceed fifteen percent (15%) of the Company’s market price of its shares of publicly traded common stock. The market price for the Company’s shares shall mean the weighted average closing price for the Company’s common stock for the five consecutive trading days immediately prior to issuance of the new shares. The shares may be issued in one or more transactions and the market price shall be determined for each issuance.

If Proposal 2 is approved and the Company deems it necessary to issue such additional shares, shareholders may experience substantial dilution as the total shares outstanding could increase from approximately 34 million to approximately 48.3 million shares (assuming all of the additional 7.5 million shares are issued as well as the approximate 6.8 million shares allowed without shareholder approval under Nasdaq rules). The Common Stock that may be issued if Proposal 2 is approved by shareholders will have the same rights as our existing Common Stock, which does not have any preemptive rights associated with it.

The approval of Proposal 2 requires the affirmative vote of a majority of the shares actually voting at the meeting, assuming a quorum is present.

Possible Requirement for Additional Share Issuance Financing

With respect to Proposal 2, the Board believes that it is very important that the Company be granted the flexibility to raise additional financing, only if necessary and prudent, through the issuance of common shares at a maximum discount to the market value of 15%, beyond the 20% of our existing outstanding shares as presently permitted under Nasdaq regulations. The Company announced a new strategic plan, on November 11, 2009, to divest its non-core subsidiaries Alanco/TSI PRISM, Inc. and Excel Meridian Data, Inc., and focus upon accelerating growth of the Company’s wireless monitoring services business, StarTrak Systems, LLC. The Company believes that sales proceeds from the divestiture program should be sufficient to finance its new strategic growth plan. However, in the event that divestiture of these businesses, particularly the larger Alanco/TSI Prism Subsidiary, is delayed, the Company may require additional interim financing, and, therefore, requests approval of this standby authorization to offer the additional 7.5 million shares as proposed.

The Board unanimously recommends that the shareholders vote “FOR” Proposal 2 to approve, for the purposes of Nasdaq Rule 5635(d)(1-2), the issuance of up to 7.5 million additional shares of common stock (including shares of common stock issuable on exercise of warrants to purchase shares of common stock) that may be sold at a discount that will not exceed fifteen percent (15%) of the market value at the time of issuance.

RULE 5635(d)(1-2) DISCLAIMER:

Proposal 2 is an offer to sell securities of the Company and the Company is not soliciting an offer to buy any securities under the law of the United States, any state in the United States, or any foreign jurisdiction.

Any shareholder who intends to present a proposal at the annual meeting of shareholders for the year ending June 30, 2010, and have it included in the Company's proxy materials for that meeting generally must deliver the proposal to us for our consideration not less than 120 calendar days in advance of the date of the Company's proxy statement released to security holders in connection with the previous year's annual meeting of security holders and must comply with Rule 14a-8 under the Securities Exchange Act of 1934, as amended. In accordance with the above rule, the applicable proposal submission deadline for the 2010 annual meeting of shareholders would be August 12, 2010.

Pursuant to Rule 14a-4 under the Securities Exchange Act of 1934, as amended, the Company intends to retain discretionary authority to vote proxies with respect to shareholder proposals properly presented at the Meeting, except in circumstances where (i) the Company receives notice of the proposed matter a reasonable time before the Company begins to mail its proxy materials (including this proxy statement), and (ii) the proponent complies with the other requirements set forth in Rule 14a-4.

The Board of Directors is not aware of any other business to be considered or acted upon at the Meeting other than that for which notice is provided, but in the event other business is properly presented at the Meeting, requiring a vote of shareholders, the proxy will be voted in accordance with the judgment on such matters of the person or persons acting as proxy (except as described in the preceding paragraph). If any matter not appropriate for action at the Meeting should be presented, the holders of the proxies shall vote against the consideration thereof or action thereon.
