ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

Effective January 23, 2005, Century Aluminum Company (the "Company") entered into employment and severance protection agreements with Michael A. Bless, who succeeded David W. Beckley as Executive Vice President and Chief Financial Officer of the Company effective January 23, 2005. Under the terms of his employment agreement, Mr. Bless will receive a base salary of \$375,000 per annum and will be eligible to receive an annual performance-based cash bonus under the Company's incentive compensation plan of up to 100% of his base salary, subject to the discretion of the Compensation Committee. Mr. Bless's annual cash bonus for 2006 will be no less than \$187,500. The agreement provides that Mr. Bless will receive options to purchase 30,000 shares of the Company's common stock and a one-time grant of 20,000 shares of restricted stock. The options will vest over a period of two years, with one-third vesting on each of his employment date, the first day of his second year of employment and the last day of his second year of employment, and will be exercisable at an exercise price equal to the price of the Company's common stock on the day immediately preceding his employment date. The shares of restricted stock will vest one-third each on the last day of his first year of employment, the last day of his second year of employment and the last day of his third year of employment. Mr. Bless will also be eligible to participate in certain of the Company's incentive compensation and benefit plans, including the Company's Amended and Restated 1996 Stock Incentive Plan, which provides for the award of options and performance shares, and the Supplemental Retirement Income Benefit Plan, which provides select senior executives with supplemental benefits in addition to the benefits they are entitled to receive under the Company's qualified retirement plans.

Under Mr. Bless's severance compensation agreement, if Mr. Bless's employment is terminated within 36 months following a change in control of the Company either: (i) by the Company for any reason other than cause or disability, or (ii) by Mr. Bless for good reason, he will receive a lump sum payment equal to three times the aggregate of the highest base salary and the highest bonus received by Mr. Bless in any of the most recent five years. Also, upon a change in control, the exercisability of stock options and the vesting of performance shares held by Mr. Bless will be accelerated. The agreement also provides for additional payments to fully offset any excise taxes payable by Mr. Bless as a result of the payments and benefits provided for under the agreement.

The foregoing descriptions of the material terms of Mr. Bless's employment and severance protection agreements are qualified by reference to the full text of such agreements, which are attached hereto as Exhibits 10.1 and Exhibit 10.2, respectively.
